Social Emotional Foundations for Early Learning (SEFEL) Pyramid Model

Professional Development Opportunity

When registering for one module, you are registering to two days of training Tuesday and Thursday.

Registration is based on Individual modules.

Dates: Module 1: September 11th & 13th, 2020
Module 2: September 15 & 17th, 2020
Module 3: September 22 & 24, 2020

Training Module Time:
All modules dates will be offered through zoom @ 6:00 pm -8:00 pm

Overview of Training

This model provides a systematic framework that focuses on promoting social and emotional competence, preventing challenging behaviors and teaching young children the appropriate skills to manage their emotions in social situations
In this model series, participants will gain strategies to support key elements of the Pyramid Model : Building Positive Relationships; Implementing classroom preventative practices; Using social and emotional teaching strategies; Planning intensive individualized interventions.

This is a 3 part module series.

Registration for Individual Modules Required.
